# Jensen SAS Center 2010-2011 Peer Mentor Program

## PEER MENTOR & TUTOR PROGRAM DESCRIPTION

Jensen SAS Center Peer **Mentors** share their experiences as CSULB students, give direction, encourage student success, and serve as **Tutors**.

## BENEFITS

- ◆ **Mentor** first-year freshmen as part of the **Science & Math Enrichment Program (SMEP)**
- ◆ Participate in the campus community as CNSM representatives
- ◆ Improve leadership skills through conducting group activities
- ◆ Develop facilitation abilities via interaction with other Mentors and Mentees
- ◆ Foster a successful learning environment through **tutoring**
- ◆ Pass on a legacy of commitment and service

## QUALIFICATIONS

- ◆ Minimum 2.7 GPA
- ◆ Declared Science or Math major
- ◆ Completed at least 55 units at end of the Spring 2010 semester
- ◆ Ability to tutor introductory CNSM courses (particularly Math and Chemistry)
- ◆ A sincere interest in helping SMEP freshmen and CNSM students
- ◆ A desire to represent the CNSM and the Jensen SAS Center, in outreach and orientation activities

## APPLICATIONS & INTERVIEW

Applications forms and more detailed descriptions of the program are available at [www.sascenter.org/peer.asp](http://www.sascenter.org/peer.asp) and Jensen SAS Center (F05-109).

\*Interviews will be scheduled the week of April 26-30.

## DEADLINE

Applications are due on **Monday, April 26**.
